BEAU INTERIORS

Beau Interiors is a family business and has been established since 1990. We offer services for individual homes and buy to let properties. Projects range from one bedroom flats to large detached homes we specialise in Home Staging and have a proven record of successful makeovers for tired and difficult to sell or let properties.

We can help with the overall design scheme including room layouts, maximising room functions giving a sense of balance and proportion coupled with effective and imaginative space planning.

BEAU INTERIORS

We offer a design service that includes all furniture and fixtures, soft furnishings, curtains, cushions and accessories. We work with many Estate Agents in and around Central London in the buy to let market for people who don't have the time or experience to take on this task themselves. We also offer a full service from sourcing suitable buy to let investment properties through to renovating and furnishing.
